RE: POSTPONEMENT OF ALICE SPRINGS MEETING

The race meeting scheduled for Sunday 13th March was postponed by Stewards at approximately 2:45 p.m. following heavy continuous rain which had in the opinion of the Stewards made the track unsafe for racing.

Stewards in company with the ASTC CEO Mr. Terry Hooton and a number of senior riders made inspections of the 1200, 600, and the 200 metre marks and other points of the track where water had gathered.

After meeting with jockeys and the CEO, Stewards deemed that due to adverse weather conditions the meeting should be postponed.

D Westover
(Chairman of Stewards)
