SUMMARY

K Connor was fined \$100 for failing to present her winning rides book for endorsement by the stewards as required under AR.92(10).

Stewards today opened an inquiry into the late scratching of COPPIN out of todays 0-64 Handicap 1400 metres

Evidence was taken via telephone by trainer of COPPIN Mr R Bell.

It was established that Mr Bell attempted to scratch the gelding online the day prior to todays meeting as it was lame in both front legs but had failed to follow up whether the scratching had been processed.

Mr Bell scratched the gelding through RISA at 9:10 a.m. today which is after the prescribed scratching time of 8:00 a.m. without first seeking the permission of the stewards which is required under NT128.

It was also established that Mr Bell failed to notify the stewards as soon as practicable after an injury/lameness or disability which may require an acceptor to be scratched. As a consequence of Mr Bell scratching the gelding after the scratching time of 8:00am, HE'S REELING trained by K Lamprecht was scratched due to no rider being available which would have been avoided if COPPIN was scratched by the prescribed scratching time as K Manoukian who was engaged to ride COPPIN would have then been available to take the ride.

Mr Bell was subsequently found guilty of a charge under NT. 128(2)(b) in that a trainer must notify the stewards as soon as practicable after an injury/lameness/disability which may require an acceptor to be scratched, comes or should have come to their notice (if not a scratching fee of \$500 will be imposed).

Stewards imposed the scratching fee of \$500 and also advised that a veterinary certificate satisfactory to the stewards must be produced prior to that gelding again starting in a race.

Mr Bell was notified of his right of appeal.
