C Moon advised that at its last start, PANZANO got back and resented the dirt coming back and would not stretch out.

C Moon further advised that today he rode the gelding vigorously out of the barriers to obtain a forward position and not allow his mount to get any kickback from other runners, and with the extra distance the gelding raced more generously for him.

Mr K Lamprecht trainer of CARNEGGAN DASHER was fined \$100 for presenting his runner with the incorrect gear AR140A.
