MAXIMUM BOOKMAKER BET LIMITS

Up until 3 minutes prior to the advertised starting time of the race bookmakers need not risk more than \$1,000 on any one bet— When a bookmaker refuses to accept a bet which is in excess of the maximum amount which he is obliged to accept under the provision of this rule, the bookmaker must inform the bettor of the lesser amount which the bookmaker is obliged to accept under the rule.

BETTING DEDUCTIONS EXPLAINED

After a Bookmaker has posted their prices for a race, a horse may be scratched for any number of reasons. When this occurs the Bookmakers original prices are now incorrect, as they were based on scratched horse/s taking part in the event. Bookmakers have no jurisdiction over deductions and are directed by the Northern Territory governing racing bodies who have adopted the ARB (Australian Racing Board) sanctioned method of calculating a deduction. Depending on the amount of horses scratched, and their price, the deduction will differ. For example if a short priced favorite is scratched the deduction is greatly increased, and the more horses scratched the higher the deduction. However when a long shot or higher priced horse is scratched the deduction is minimal or none as it has less effect on the price. A bookmaker has to refund the money on scratched horse/s

Race 2: Ridley Handicap 1200 metres

SACAMBAYA declared a late scratching at 3:29pm on Veterinary advice after being found to be sore in the near/side fore leg. Trainer advised that a veterinary certificate of soundness satisfactory to the Stewards must be produced prior to that mare again starting in a race. Mr Leech subsequently advised that the mare would now be retired from racing.

As there was no book-maker on course, no deductions were applicable.

JACKANORY (C Hunter) – Crowded for room on jumping bumping with another runner. Inclined to lay inwards under pressure down the length of the straight.

MIGHTY MICK (R Vigar) – Bumped with another runner on jumping.

General: Stewards interviewed trainer D Leech in relation to his runner being a late acceptor into this race (5 runners), and subsequently scratched at the barriers when found to be lame in the near/side fore. Mr Leech advised that he presented the mare today fit to race but he had a concern after the mare unloaded off the float awkwardly. He advised his rider to see how the mare felt going to the barriers where it was subsequently scratched after the rider requested a veterinary examination. Whilst Stewards accepted Mr Leech's explanation, he was advised that he must in future notify the Stewards as soon as practicable of incidents and or concerns to his runners prior to a race in which it is competing as required under AR105.
